

THREE – MONTH TRIAL MEMBERSHIP NOMINATION FORM

The Trial Membership is a way for members to introduce friends and associates to The Cliff Dwellers. The \$150 fee entitles friends and associates to dining options and club program privileges for three months. This is a one time offer to potential members. During the course of this time, trial members may start the process of regular membership, and continue to use the Club until they are accepted as a full member.

To begin the process, your friends and associates, need to complete and sign the form and return it to The Cliff Dwellers. Their credit card will be charged to pay the \$150 fee as well as monies that they charge at the Club for food, drinks and programs. A letter will be sent thereafter explaining their guest privileges. Sponsoring members will be notified by e-mail when their nominee submits an application.
