New 21st Century Donation Opportunities: Introducing Naming Rights for Cliff Dweller Members

The 21st Century Annual Fund campaign, is pleased to offer members naming rights for their contributions. These rights will include both Club spaces and some furniture and equipment. Most rights will extend for a period of fifteen years except for Kiva chairs and tables. The Club's permanently named spaces will always prevail over the transitional donor's name. Naming rights are only open to Cliff Dweller Members.
